

Don't Let the Sun Go Down On Me

Elton John

A1

I can't light no more of your darkness
All my pictures seem to fade to black and white

A2

I'm growing tired and time stands still before me
Frozen here on the ladder of my life

A3

Too late to save myself from falling
I took a chance and changed your way of life

A4

But you misread my (uh) meaning when I met you
Closed the door (uh) and left me blinded by the light

Omk.

Don't let the sun go down on me (Don't let the sun, go, down)
Although I search myself, it's always someone else I see
I'd just allow a fragment of your life to wander free
But losing everything is like the sun going down on me

A5

I can't find, oh, the right romantic line
But see me once and see the way I feel

A6

Don't discard me just (uh) because you think I mean you harm
But these cuts (uh) oh they need love to help them heal

Omk.

Don't let the sun go down on me (Don't let the sun, go, down)
Although I search myself, it's always someone else I see
I'd just allow a fragment of your life to wander free
But losing everything is like the sun going down on me
