

Bridge over trouble water

Alt og sopraner

Don't trouble the water – give it up
Why don't you, why don't you let it be.
Still water run deep yes it do – oh oh oh
yeah
:/:Don't trouble the water,
don't trouble the sea :/:
I'm on your side, when times get rough
And friends just can't be found.

[I will lay me down](#)

[Like a bridge over troubled water](#)

[I will lay me down](#)

:/:Don't trouble the water,
don't trouble the sea :/:
I'll take your part
When darkness comes
And pain is all around

[Like a bridge over troubled water](#)

[I will lay me down](#)

Your time has come to shine
All your dreams are on their way
See how they shine
Oh, if you need a friend

I'm sailing right behind
Like a bridge over troubled water
I will ease your mind
Like a bridge over troubled water
I will ease your mind

Your mind – ease your mind
Still water run deep yes it do – oh oh oh
yeah

Don't trouble the water give it up
Why don't you, why don't you let it be.
Still water run deep yes it do

[Verse 1]

When you're weary
Feeling small
When tears are in your eyes
I will dry them all
I'm on your side
When times get rough
And friends just can't be found

I'm on your side, when times get rough
And friends just can't be found

[Verse 2]

When you're down and out
When you're on the street
When evening falls so hard
I will comfort you
I'll take your part
When darkness comes
And pain is all around

I'll take your part, When darkness comes
And pain is all around

[Chorus]
