1. Try to see it my way do I have to keep on talking till I can't go on?
2. Think of what you're saying you can get it wrong and still you think that it's alright.
3. Try to see things my way only time will tell if I am right or I am wrong.

G C/G G C/G Dm/G G#

While you see it your way run the risk of knowing that our love may soon be gone—
 Think of what I'm saying we can work it out and get it straight, or say goodnight—
 While you see it your way there's a chance that we may fall apart before too long—
